Dear Mr. Stecklow,

I write in response to your Freedom of Information Act request dated February 18, 2017, received in the office of the Police Board on February 21, for data on all disciplinary cases held in front of the Police Board from 2011.

Attached is an Excel spreadsheet containing the following data for each case:

- Police Board case number
- Date the case was filed with the Police Board
- Name and star number of the respondent officer
- CR number
- Date the Police Board decided the case
- Decision of the Police Board
- Suspension ordered by the Police Board (if any)
- Suspension recommended to the Police Board (if blank, the recommendation was to discharge the officer from the Chicago Police Department)

Please note that the Board does not maintain in a spreadsheet the name of the Superintendent who recommended discipline, or the votes of individual Board members. This information is available for each case on the charges filed by the Superintendent and the Board's written decision. If you would like to review these records, please contact me to discuss options for your review.

Please feel free to contact me if you have any questions regarding this response.

Sincerely,

Max A. Caproni
