Re: Freedom of Information Act  
IPRA File No.: 16-056-217

Dear Ms. Hunt:

On behalf of the Independent Police Review Authority (IPRA), I am responding to your Freedom of Information Act (FOIA) request, received by this office on April 7, 2016, in which you have requested: "all machine readable data (meaning any information that is able to be exported into spreadsheets) that exists for officer involved shootings (outline of data requested)."

At this time, I am seeking an extension of five additional working days to respond to the request for one or more of the following reasons identified in 5 ILCS 140/3(e) of FOIA:

the requested records are stored in whole or in part at other locations than the office having charge of the requested records;

the request requires the collection of a substantial number of specified records;

the request is couched in categorical terms and requires an extensive search for the records responsive to it;

the requested records have not been located in the course of routine search and additional efforts are being made to locate them;

the requested records require examination and evaluation by personnel having the necessary competence and discretion to determine if they are exempt from

disclosure under Section 7 of the FOIA or should be revealed only with appropriate deletions;

the request for records cannot be complied with by the public body within the time limits prescribed by 5 ILCS 140/3(d) without unduly burdening or interfering with the operations of the public body;

there is need for consultation, which shall be conducted with all practicable speed, with another public body or among two or more components of a public body having a substantial interest in the determination or in the subject matter of the request.

Sincerely,

Shannon I. Leonard  
Paralegal II/ FOIA Officer  
Independent Police Review Authority
